Binche Whut'en

Oct 20,2026

Dear Binche Whut'en Community Members

We mourn the loss of a community member and extend our heartfelt thoughts and prayers to their family, friends, and everyone affected. May the family find comfort in knowing that our community stands with them during this difficult time.

We encourage everyone to check in on family, friends, Elders, and especially our young people. You are not alone. Our Health Department is available to help with emotional support and grief counselling.

As we move through this difficult time, let us continue to support one another with kindness, compassion, and respect.

Sincerely,

Chief and Council
Binche Whut'en
